Location preference survey for TCS Xplore proctored assessment on 29 January 2023
Publish Result
One more proctored assessment(IPA) opportunity for you in the month of January 2023.
Register and increase your chance to become TCS Ready and gain incentives!
TCS second Xplore proctored assessment will be conducted at TCS iON center in various cities of India on 29 January 2023. If you are planning to attend the assessment on 29 January 2023, please fill this survey. Your preferred iON exam center location will be considered to the best extent possible. However, the final decision on the location will be made by TCS, based on the specific assessment location capacity.
Note: Once you submit the survey, no further changes can be done. So kindly make sure you select the right location before submitting the survey.
Survey will be available till 11.59 am on 16 Jan 2023.
